

REMARKS

In an Office Action mailed February 21, 2003, pending claims 1-31 were made the subject of an election. Two distinct species were identified wherein claims 1-7 were directed to a first invention and claims 8-31 were directed to a second invention. Applicants respectfully elect the species associated with claims 8-31 without traverse. Accordingly, claims 1-7 are cancelled while reserving the right to later file such claims as a divisional application. This amendment does not necessitate amendment of inventorship.

Applicants respectfully request consideration of the cancellation of claims 1-7 and the allowance of claims 8-31, thereby placing the application in condition for allowance. Should issues remain that might be subject to resolution through a telephonic interview, the Examiner is requested to telephone the undersigned at (512) 996-6839.

Respectfully submitted,
